ZEBRA STABLES LODGE, NORTHERN GAUTENG

Situated on a 450-hectare nature and game reserve in the Dinokeng Conservancy only 30km north of Pretoria on the Molo road, the 4-star Zebra Stables Lodge is part of the Zebra Country Lodge, just one of the portfolio of Legend Lodges that feature safari and country lodges, coastal hotels and cultural villages in South Africa. The main lodge building and 20 en suite luxury double bedrooms overlook a 12-hectare bass dam built in a natural wetland in the Leeukloof valley that offers bank and small boat fishing. The lodge is open to visitors seven days a week and also welcomes day visitors who not only have full access to the fishing but also the other optional extras such as game drives, the restaurant, open air dining area and Ndebele Cultural Village – it is indeed a perfect venue for families and dedicated bassers alike (on Sundays the lunch buffet is a favourite among bass anglers and their families). Other activities include quad bikes, mountain biking and hiking. As it is a licensed premise all meals and drinks must be bought at the Lodge – not a problem as waiters are on hand at the water's edge to keep you refreshed! Game on the property includes zebra, wildebeest, kudu, giraffe, impala, eland, waterbuck, hartebeest and blesbuck amongst others that are often seen on the banks of the dam.
