## BELL'S BASS LODGE

Bell's Bass Lodge is situated in the heart of the Kwa-Zulu Natal north coast, only 12km from Ballito and close to all the main tourist attractions - about 50km from Durban, 35km from the Sibaya Casino, 20km from King Shaka airport with the main surf swimming beaches only 10km away. Previously known as the highly popular "Bell's Bass Lake", the beautiful Lodge was completed in December last year on the banks of the main 5ha dam on the sugar and citrus estate. A second, smaller dam is also available. Both dams hold healthy populations of Largemouth Bass and fish of over 4kg are regularly caught.

The Lodge provides accommodation in 4 en-suite rooms with wall fans, a spacious kitchen and dining area and a 60m<sup>2</sup> thatched deck on the water's edge overlooking the beautiful main dam. DSTV is available, but bring your own card. The Lodge is selfcatering and is serviced daily, and all linen and bath towels are supplied.

Bell's Bass Lodge is an ideal venue for the serious bass fisherman and also for those who just want to enjoy the magnificent scenery and abundant bird life, or take on the many tourist attractions the north coast has to offer.
