

It is a popular destination for catching the hard fighting tiger fish, the southern-most limit of this species natural distribution.”

Pongola Game Reserve – A “Tiger” of a time!

The Pongola Game Reserve is the “Gem” of Zululand and is a well-known and popular ecotourism destination situated in Northern Kwa-Zulu Natal, on the banks of Lake Jozini (Pongolapoort Dam).

It is a popular destination for catching the hard fighting tiger fish, the southern-most limit of this species natural distribution. Renowned for its tenacious fighting ability it is caught by conventional methods as well as the ever increasing popularity of fly fishing. Other popular species to catch also include black bass, barbel, carp and kurper.

The Pongola Game Reserve offers two fully catered lodges, five self-catering camps, boat hire, rod hire, spa and activities such as game drives, game walks, rhino tracking and much more. Relaxing in the Zululand bushveld with its water views from the two main lodges and surrounded by the calls of nature it is the perfect getaway for family and friends. 🦁
