THATCHER'S REST SELF CATERING COTTAGE - A DELIGHT TO THE SENSES

Thatcher's Rest is situated on a farm in the Biggarsberg Valley – 8kms off the N11 between Ladysmith and Newcastle. The cottage is set on stilts within a dam and is accessed by a wooden walkway and is perfect for some relaxed (lazy) bass fishing. With no fewer than 6 well stocked dams on the farm, this delightful facility offers bass anglers and their families a perfect bassing destination. Accommodation consists of 3 bed rooms, 2 en-suite and 1 private. Open plan kitchen onto the lounge and a lovely large enclosed verandah. The cottage is fully equipped for a relaxed, self catering stay.

The peaceful surrounds of the Biggarsberg range of mountains, the restful country atmosphere, totally secluded and most comfortable accommodation ensures that the hustle and bustle of city life is left far behind when you retreat to this tranquil getaway. Other activities include walks, bird watching or touring the Battlefields (to which guided tours can be arranged) – whatever you choose to do – Thatcher's Rest is the place to be.
