Matlala Aloe Park, Flag Boshielo Dam

Having played host to the recent SA BASS Champion-of-Champions event and the 2010 SA Artlure Championships, Matlala Aloe Park is fast becoming the most popular launch and campsite at Flag Boshielo Dam. With a reputation of providing visitors to the dam with extremely clean and neat facilities and 24-hour security, it is the perfect access point for anglers looking to spend a day at the dam. For the camper the park offers 200 shaded campsites with access to hot water ablutions and electricity points, and there is also a fully stocked convenience / bottle store in case you might have forgotten something at home.

On hot summer days guests are welcome to have a swim in one of the two swimming pools located near to the convenience store, as swimming in the dam is not advised. On offer for boaters there are also various marked launch sites available, and for boaters who would like to launch but do not have a 4x4 vehicle Matlala Aloe Park provides a tractor launching service.
